

Block 14 Continued:

The purpose of this modification is to incorporate OCONUS rates under the BPA as shown below:

1. Section 1.4 Labor Rates, is updated to incorporate the OCONUS rates proposed by SAIC in an Excel attachment.
2. Changes pursuant to this modification are indicated by vertical lines in the right hand margin on change pages cover page and 1-7 of the updated BPA.
3. **All other terms and conditions remain unchanged.**

#### SUMMARY OF COST IMPACT OF ABOVE CHANGES

- The total estimated value of the BPA remains unchanged at \$408,000,000.00.
